## WORDS OF ADVICE FROM VICE GOVERNOR REY T. UY FOR A PEACEFUL ELECTION

By: Iris P. Temperatura

Dabaonon voters have couple of weeks left to assess who they will pick to lead the Province of Davao del Norte in the next three years, as they will be exercising their right to suffrage on the May 9, 2022 National and Local Elections. As the election heat is on, Vice Governor Rey T. Uy enjoins his co-candidates and their respective supporters to avoid mudslinging against the other candidates, and just lay their platforms of governance to the public without using negative campaigning and black propaganda during their 45-day campaign period from March 25, 2022 to May 7, 2022, excluding April 14, 2022 (Maundy Thursday) and April 15, 2022 (Good Friday), the day before, and the day of the election.

When asked during one of his interviews as to his comments about

the so-called “Marites” (layman’s term for gossipers who fabricates lies and unbelievable political scenarios), Vice Governor Uy said: “Kanang mga tsismosa? Okay ra man na basta as long as ang imong isabwag nga balita tinood, ayaw ng fake ones labi ng naa sa mga Facebook nga mga trolls, ayaw intawon ha. Be a spreader of good news, sa mga Marites.”

Known for being an action man who advocates peace and order, Vice Governor Uy encourages all the candidates for the upcoming local and national elections to always prioritize their service to the people above everything else, and to remain their bond and friendship with their co-aspirants at the end of this election season. “After all, they are good friends and servants of the people in their respective capacities before they are politicians,” Uy added.

Lastly, Tagum City Mayoral Candidate and incumbent Vice Governor Rey T. Uy urged the avid supporters of all the candidates and the voting public as a whole to elect the leaders who can best lead them despite the tension, anxiety and misunderstanding caused by each other’s political differences. He likewise stressed to vote wisely and to choose the next set of leaders who have the best interest of the nation as well as the welfare of the people in their minds, to tear down the walls of divisiveness, bitterness and animosity of partisan politics, and most especially, to respect the decision of the majority by showing democratic affirmation to whoever wins the 2022 Elections and subsequently supporting the new leaders being chosen by the people.

## **BM DR. LU INDORSES DAVNOR'S PRO-POOR HEALTH & SOCIAL SERVICES PROGRAMS**

By: Keeper Genota

Dr. Denise Marianne A. Lu has been actively raising health awareness by visiting every Barangay in District II of the Province of Davao del Norte, specifically in its Barangay Health Centers, to talk about how to maintain good health among the constituents and to donate medical implements such as sphygmomanometer, glucometer and nebulizer in hopes of providing easy access of these health devices to every Dabaonons, aiding the collective effort of the government to overcome the challenges in the health sector.

The Department of Health reported that the leading causes of death in the Philippines remain to be diseases of the heart, diseases of the vascular system, pneumonias, malignant neoplasms/cancers, all forms of tuberculosis, accidents, COPD and allied conditions, diabetes mellitus, nephritis/nephritic syndrome and other diseases of respiratory system. Among these diseases, six are non-communicable and four are the major NCDs such as Cardiovascular Diseases, cancers, Chronic Obstructive Pulmonary Diseases, and diabetes mellitus.

"It is necessary that these monitoring devices are readily available in barangay health centers so that our people will have an easy access to them, they need not go to hospitals, they can just easily monitor their health status with the help of our barangay health workers," according to Dr. Lu referring to the health measuring

devices she provided in every barangay. "Most common diseases and leading causes of death in the Philippines can be prevented by having a healthy lifestyle and constant monitoring of our health status," she quipped.

Sphygmomanometer is a device used for measuring blood pressure while a glucometer is a small, portable device that can check blood sugars (glucose levels). On the other hand, a nebulizer is a drug delivery device used to administer medication in the form of a mist inhaled into the lungs. Nebulizers are commonly used for the treatment of asthma, cystic fibrosis, COPD and other respiratory diseases or disorders. Dr. Lu hopes that these health devices will be put in good use for the benefit of all Dabaonons.

Being the Chairperson of the Committee on Health and Social Services, Board Member Denise Marianne A. Lu, MD implements sponsored Municipal Ordinance No. 299-s-2021 institutionalizing the "Punerarya sa Masa" Program of the Municipality of Carmen which was approved on January 24, 2022 during the 4th Regular Session of the Sangguniang Panlalawigan. This first-class municipality in the 2nd Congressional District of Davao del Norte, whose source of income is predominantly agricultural, is perceived to have a considerable number of impoverished families. The present financial predicament are results of loss of job, and lack of opportunities aggravated

by the COVID-19 pandemic.

Through her initiatives, LGU Carmen had put in place a variety of programs and projects ranging from livelihood to health and then other essential services such as funeral and burial services. The pauper's burial program aims to alleviate the plight over the loss of a family member. It shall include provision of coffin, the proper care and transport of cadaver up to its entombment. Municipal Ordinance No. 299-s-2021 established a section or office, under the direct supervision of the Municipal Social Welfare and Development Office, that maintains the administrative works, accounts and records of the program. The MSWDO has assigned personnel to oversee and manage its smooth implementation.

The municipality allocated and provided an initial annual budget in the amount of Five Hundred Thousand pesos (P500,000.00) for the embalming, coffin and transportation of the cadaver and also for the Maintenance and Other Operating Expenses (MOOE) of the section/office. "Kailangan barugan kay dako kaayong tabang sa atong mga katawhan. Dili na angay maguol pa ang namatyan kay nahan-ay na ang tanan para sa minatay. Kini nagpasabot nga naminaw kita sa ilang mga kasinatian. It's already painful that they've lost their loved one and as much as we console them, we also want to ease their burden by providing for what we can." Dr. Lu said in an interview. 🙏

## SP miduso sa paghatag ug cash incentives sa mga batan-ong mananaog sa natad sa sports, academics, ug skills competitions

By: Lorenzo Orias

Pinaagi kang Senior Board Member Robert "Tete" So, gi-aprobahan sa ikatulong pagbasa sa Sangguniang Panlalawigan (SP) niadtong Abril 18, 2022 ang Provincial Ordinance No. 2022-003 nga nag-ulohan "granting cash incentives to individuals, paired or groups who excelled in sports, skills, and academic competitions, top notchers (top 1 to 10) of board, bar and other national licensure examinations and appropriating funds thereof". Ang maong ordinansa gimugna sa kasamtangan SK Federation President sa Davao del Norte nga si Honorable Board Member Emerson Dave A. Silutan aron mahatagan ug ganti ang mga mananaog nga Dabaanon sa natad sa sports, academics, ug skills competitions. Usa sa mga tumong sa naasuy nga Ordinansa mao ang paghatag ug bugti sa mga pagkugi sa mga mananaog ingon man ang ilang mahatag nga dungog sa atong Probinsya. Mahinumdoman nga ubay-ubay na nga mga kabatan-onan sa atong Probinsya ang nag top sa national licensure examinations ug sports and skills competitions sa mga nilabay na mga bulan nga nagdala ug dungog dili lang sa pamilya sa mga hingtungdan apan lakip na sa atong Probinsya.

Kini nga mga lakang sa SP nga gipangulohan ni Vice Governor Rey T. Uy nagtumong sa paghatag ug dugang katakos sa mga kabatan-onan ingon man kadasig sa ilang mga kaugalingon ug ilang mga pamilya. Lakang usab kini sa panggamhanang Probinsyal aron mapalambo ang youth development sa Davao del Norte.

## Hon. Silutan Intensifies the Conduct of KK Assembly Days in all DavNor Barangays through Provincial Ordinance No. 2022-002

By: Ruda Caren P. Balabad, LPT

The Committee on Youth and Sports Development chaired by the SK Provincial Federation President & Ex-Officio Sangguniang Panlalawigan Member Hon. Emerson Dave A. Silutan conducted a series of virtual public hearings last March 21-22, 2022 together with the DILG Davao del Norte Local Government Operations Officer II Sir Marc Voltaire Daquigan, Provincial Sports and Youth Development Office PG Department Head Sir Giovanni I. Gulanes, Provincial Sports and Youth Development Office Youth Development Officer Sir Jay Michael Fernandez, and SK Chairpersons of the eight (8) municipalities and three (3) cities of the Province of Davao del Norte. During the public hearings, all municipalities recommended favorably the Provincial Ordinance No. 2022-002 "Declaring the Saturdays and Sundays of June and December of every year as Katipunan ng Kabataan (KK) Assembly Days in all Barangays of the Province."

For over three years length of service of Sangguniang Kabataan in the province, Hon. Silutan observed that there are two major issues on the conduct of Katipunan ng Kabataan (KK) General Assembly Meeting: firstly, many barangays are not strictly implementing this mandate which is a basic contrivance to delve the existing issues, concerns and proposals of the KK Members and secondly, no specific schedule is provided in the IRR of RA 10742 so the date and time of the KK Assembly Meeting is up on the prerogative of the respective SK Councils, leading some of them to conclude that such takes no necessity.

Cognizant of this provision, it is unequivocal that this mandate shapes a foundation of collegial forces and direct sharing of collective experiences, ideas and concerns of the Katipunan ng Kabataan (KK) Members which represent different sectors such as in-school youth, OSYs, LGBTQs, IP Youth, young parents and the like, toward a smooth and facilitative crafting, monitoring and assessing of various programs, projects and activities (PPAs) of the Sangguniang Kabataan in the barangays of the province and further ensure that these PPAs are relevant, responsive and impactful.

This Provincial Ordinance serves as an additional legal basis to strengthen the conduct of KK Assembly Days of every barangay in the province considering that SK Officials are mandated by law to do so.

## Ordinansa alang sa mga PWD target mapasa ni Board Member Nickel Suaybaguio karong tuiga

By: Jake Abejero & Krisel May Medenilla

Subay sa bata kang balaud alang sa mga Persons With Disability (PWD) kun mas nailhan nga magna carta for persons with disability, gisugdan ni BM Nickel Suaybaguio ang lakang sa pagpasa sa usa ka ordinansa sa probinsya nga maghatag ug igong pagtagad sa pwd sector. Ang maong ordinansa naglangkob sa pag-establisar ug Persons-with-Disability Affairs Office (PWDAO) nga mamahimong usa ka division ilalom sa opisna sa PSDWO ning atong probinsya. Namugna usab ang maong lakang tungod sa gipasang-at nga hangyo sa mga focal persons sa nagkalain-laing lungsod ilalom sa probinsya kabahin niini. Gisugdan kini ni BM Nickel Suaybaguio pinaagi sa pagpatawag ug usa ka consultative meeting ang opisina sa Provincial Social Welfare and Development Office, lakip na ang

Provincial Human Resources Management Office, Provincial Budget Office, Provincial Legal Office ug kauban usab ang mga focal persons sa matag LGU alang sa paghisgot ug pagtuki sa maong lakang.

Ang kinatikbok-ang tumong niini mao ang pagmugna ug us aka balaodnon aron mamahimong usa ka departamento ang Persons- With-Disability Affairs Office. Apan tungod sa kakulangan sa panudlanan sa probinsya, nadesisyonan sa maong pakigpulong na sugdan lang usa kini sa pagmugna ug usa ka division ilalom sa PSWDO. Ang labaw'ng importante nga ang maong lakang mahimoan ug usa ka balaud-non nga maoy sinugdanan nga mamahimong magmalahotayon ang paghatag ug importansya sa PWD sektor.

Dakong kalipay ug pasalamat ang

gipaabot sa matag focal persons sa kada-LGU kay BM Nickel Suaybaguio tungod dugay na nila gihandom na sila mahatagan sa igong rekognasyon ug pagtagad pinaagi sa pag "institutionalize" sa maong buhatan nga maoy ilaha pud na mamahimong sumbanan dinha sa ilahang taga-tagsa ka lungsod. Sa pagkakaran anaa na sa pag-finalize ang maong draft sa ordinansa diin gipaniguro ni BM Nickel nga sa dili madugay iya kining iduso sa Sangguniang Panlalawigan aron hingpit na gyud kining mamahimong balaud. Dako ang paglaom ni BM Nicandro Suaybaguio Jr. nga tungod sa maong balaudnon mas mapahugtan ug magmalambunon ang mga programa ug proyekto alang sa tanang Persons-With-Disability (PWD) ning Probinsya sa Davao del Norte.

## BM TANONG-MABOLOC CONDUCTS SERIES OF VIRTUAL PUBLIC HEARINGS ON THE REVISED DAVAO DEL NORTE CHILDREN'S WELFARE CODE

By: Marianne D. Marcial

The Province of Davao del Norte always recognizes the important role of family in molding the character of children. Family functioning, quality parenting, and access to social and family support are all essentially and strongly contributory to the optimal health and well-being of every child. To uphold the rights and welfare of children, this province believes it necessary to adopt measures to give a decent quality life for the youngster and enable them to exercise their rights so that they could develop their full potentials.

Hon. Jannet Tanong-Maboloc, 2nd District Board Member and Chairperson of

the Committee on Women, Children and Family Relations, has full support always to the welfare of the children. It is one of her priority as legislator to craft ordinances that shall help assist the needs of the children. She believes that as the world changes, the community the children lived also evolved. In order for them to adapt the changes of the time, a more aggressive plans and approach should be prepared in order for them to be ready to face their future.

Hence, BM Tanong-Maboloc found it urgently essential to craft a proposed ordinance that aims to secure the right of

children to assistance, including health, nutrition, education and special protection from all forms of abuses, neglect, cruelty, exploitation and discrimination, and other conditions prejudicial to their interests and provide sanctions for their commission. She felt the need to browse, review and tell the public about the welfare of the children of this province. That is why she conducted an ongoing series of Virtual Public Hearings on the Revised Davao del Norte Children's Welfare Code with hope and prayer that an ordinance will soon be crafted for the children's sake.

# Aron hingpit nga mapatuman ang UHCA, Resolution No. 255 giduso ni BM ROGER LAGUNA

By: Lorna Tripoli

Sa tingoha nga masiguro nga tanang taga Davao adunay sakto ug tukma nga kasayuran sa kahimsog ug sa maayong kondisyon o kahimtang sa panglawas, ug labaw sa tanan maprotektahan gikan sa tanang matang sa balatian ug ma-layo sa peligro, Si 1st District Board Member Roger "Ger" Laguna niduso ug Resolution No. 255, entitled "DESIGNATING THE BARANGAY HEALTH WORKERS OF DAVAO DEL NORTE AS BARANGAY-LEVEL HEALTH PROMOTION OFFICERS FOR THE IMPLEMENTATION OF HEALTH PROMOTION POLICIES, PROGRAMS, AND ACTIVITIES IN THE COMMUNITY, PROVIDING GOVERNANCE STRUCTURE, AND APPROPRIATING RESOURCES THEREFORE". Ang maong resolusyon hiniusang gi-aprobahan sa mga miyembro sa Hunta Probinsyal niadtong 15th Regular Session last Abril 11, 2022. Gikabutyag ni Board Member Roger "Ger" Laguna nga tumong ug tingoha niini nga mas hingpit nga mapatuman ug ma-implementar ang R.A. 11223 nga giilang Universal Health Care Act (UHCA). Pinaagi sa mga Barangay Health Workers, isip mga "frontliners" sa mga kapurokan sa kabarangayan, sila ang direkta nga mag "monitor" sa kahimtang sa panglawas sa mga lumolupyo. Busa, giduso ni BM Laguna ang maong balaudnon ilabi na sa panahon karon nga dili pa hingpit nga nawagtang ang makamatay nga sakit nga COVID-19 virus ug uban pang "variants" nga dala niini, ug lain pang balatian nga posibleng masinati sa katawhan.

Ang nahisgutang resolusyon gitun-angyud ni BM Laguna ug giduki-duki pagayo sa tulo ka komitiba sa Sangguniang Panlalawigan, nga mao ang Committee on Labor and Employment nga iyang

gipangamahan, ang Committee on Health and Social Services ni BM Lu, ug Committee on Finance, Budget and Appropriations ni BM So. Basi sa pagtuon ug rekomendasyon sa mga komitiba, nasayran nga ang maong balaudnon nahisubay gayud sa batakang balaod sama sa 1987 Philippine Constitution under Section 15, ARTICLE II, nga nagkanayon "the state shall protect and promote the right to health of the people and instill health consciousness among them," ug subay usab sa section VI (A) of Administrative Order no. 2020-0042 of the Department of Health that "The P/ CWHB shall establish a Health Promotion Unit (HPU) under the Health Service Delivery Division of the Provincial Health Office staffed with adequate human resources for health complements. The HPU shall ensure the development and implementation of health promotion policies and programs and exercise coordination with local government and Hospital Health Promotion and Education Officers and Barangay Health Workers (BHWs) as barangay-level HEPOs." Kalakip na niini ang Section 468 of the Local Government Code nga nagpamatuod nga ang "Sangguniang Panlalawigan has the power to determine the position and salaries/wages/allowances and other emoluments and benefits of officials and employees paid wholly or mainly from city funds and provide for expenditures necessary for the proper conducts of programs, projects, services, and activities of the provincial government. Gipalig-on pa ug gipalalaman ang basihan sa pag-aproba niini subay usab sa Akta Republika 11223 or the Universal Health Care Act and its Implementing Rules and Regulations.

Tumong sa paghaon sa naasoy'ng

balaudnon ni Boardmember Roger Laguna, ang mga Barangay Health Workers, pinaagi sa mga nagkadaiyang lokal nga panggamhanan, magpasiugda ug maghimo'g mga lakang alang sa pagmugna sa mga programa alang sa panglawas ug maghatag prioridad sa healthy lifestyle sa matag-usa, mga programa nga motubag sa mga suliran aron mapugngan ang bisan unsa'ng kagaw ug mga sakit ng makatakod. "Dako ug ikatabang ang pakig-alayon sa mga Community Health Workers ug mga volunteers isip mga primary care provider networks nga maoy mogiya sa mga desisyon sa mga pasyente pinaagi sa sakto'ng pag-atiman ug pag-amoma ug pagwagtang sa mga babag nga nagmakuli sa pagdawat sa mga serbisyo'ng panglawas," pahayag ni BM Laguna. Dugang pa niini, ang maong balaudnon ni BM Laguna maghatag gayud sa kasigurohan nga ang mga Local Government Units (LGU) mosiguro nga pantay ug patas ang pagtunol sa mga honorarium ug uban pang kaayohan nga angayan'g pagadawat sa mga Barangay Health Workers isip mga Barangay-level Health Promotion Officers. Gikabutyag nga ang pundong salapi nga gamiton sa paghatag ug honorarium sa nahisgotan nagagikan sa Special Health Fund sa matag LGUs. "Angayan sila nga hatagan ug pahalipay pinaagi sa dugang honorarium gawas sa ilang naandan na ginadawat sa kasamtangan gumikan kay sa panahon karon niining nasinati nga kalibutanon'g pandemya, ang mga BHW wala gayod nilurang sa ilang mga kaakohan ug mas nadungagan pa ang ilang bayaninhon mga pagpaningkamot nga maamoma ang mga nagkasakit nga mga residente," Si BM Laguna nagkanayon.
